Theosophy has been called the Wisdom Religion. The word stems from the Greek words "theos" (God) and "Sophia" (Wisdom) and refers to the "Wisdom of the Gods". In the 19th century Helena Blavatsky's work, with the help of others, was to reveal a portion of this wisdom tradition to the world. Through the exploration of one theme per month, we offer you the opportunity to gain greater depth about the wisdom tradition.
